# Safety Mirrors

**Largo can quickly supply a whole range of Ashtree Safety mirrors.**

**If you are unsure of which mirror fits your vehicle, call one of our advisors today...**

“Ashtree Vision & Safety manufacture Class V and Class VI mirrors, which can be retro fitted to non-compliant vehicles. Remember, since 1st September 2015, it is law that most commercial vehicles of 3.5 tonnes and over, must have Class V over-door, kerb mirrors, and Class VI front view mirrors when driving in London.

When Ashtree Glass was founded in 1977, glass was a component used in 100% of our products. With an ever increasing range of mirror arms and unbreakable mirrors, Ashtree manufactured and distributed more than 50,000 mirrors with a plastic lens in 2012. Glass is now used in only 35% of our products. We felt that a change of name was needed to better reflect where we are as a manufacturing company.”

**M2000CE**

- Replacement Glass G200CE
- Fitment 10-20mm
- Radius 1200mm

**M528CE**

- Replacement Glass G528CE
- Fitment 16-28mm
- Radius 1800mm

**M626CE**

- Replacement Glass G626CE
- Fitment 16-28mm
- Radius 1800mm

**M714CE**

- Replacement Glass G714CE
- Fitment 16-28mm
- Radius 1800mm
